Re: File Request

--- Brownfields CERCLA Facility ID:49057

BARKER LOFTS APARTMENTS/RETAIL, 306 S 15TH ST, Facility Location was 1501 Farnam St; SW Cnr S 15 & Farnam Sts

As part of the property assessment, we wish to determine whether government agencies possess any records on the subject property or area wide issues (see Re: listed above), that the property be included in that include potential environmental concerns. Please provide any information regarding any AST / UST, PCBs, spills / releases, petroleum and hazardous materials use, storage, or disposal activities, vapor intrusion, contaminated groundwater, solid waste disposal, asbestos, deed notices, and activities and use limitations.

Riverfront Environmental, Inc. is requesting information pertaining to the referenced site. Riverfront is interested in the current status of the Re: sites, listed above, with regard to any investigations, site characterizations, correction action plans, monitoring, closure reports and any subsequent correspondence. At your earliest convenience, please contact Riverfront as to the availability of files in an electronic format and cost to obtain copies of the entire file for the site. Riverfront appreciates your assistance with regard to this matter. Please do not hesitate to contact us if you should have any questions.

If you have any questions, please call me at 314-436-9492, or email me at jpacheco@riverfrontenvironmental.com.

Thank you for your assistance.

Sincerely,

Jody M. Pacheco
